my investigation concluded and felt "Confident that no physical or emotional abuse had taken place" I returned to work after 1 day. Investigation conducted by Lt. Anthony King.

Based on above investigation and at my request I was informed by Lt. King no additional communication between her or I would take place. I "assured" Lt King via email no communication would occur. I additionally sent Lt King emails further exonerating any wrong doing as initially reported.

Prior to the above invest/incident I has consistently lashed out and acted in ways meant to coerce, Manipulate, and intimidate me in attempts to prolong the toxic relationship that existed.
